IMPORTANT NOTE

Course Selection Period:

This is the period when students need to make their course selections for the current semester through the student portal. Students must complete and submit their course selection during this period. After submission, the faculty will review and approve the selected courses.

Course Add/Drop Period:

After course registration is completed and classes have started, students may request to add or drop courses needed. Any changes to the registered courses must be made within this period. After submission, the faculty will review and approve/reject the add/drop courses.

For any related information, you may refer to the contact details as provided in Table 1.

Thank you.
