Subject : DRB-HICOM University Road Safety Notice

Dear all Staff & Students,

Road safety is a top priority for the university to ensure the well-being of all campus members. Therefore, all staff and students are reminded to always prioritize safety while within and outside the campus area.

The safety measures to be observed are as follows:

- i. Comply with all traffic regulations at all times;
- ii. Prioritize personal safety and act responsibly while on the road; and
- iii. Limit unnecessary movement, especially at night.

The university hopes that all staff and students will cooperate in adhering to road safety regulations for everyone's well-being. Thank you all for your kind attention and cooperation.

"Prioritize Safety, Protect Lives"

Your sincerely,

Prof. Dato' Sr. Dr. Omar bin Osman
